

A woman with dark hair and red lipstick stands on a metal bridge. She is wearing a black coat and a plaid scarf. A small, fluffy brown dog is on a leash to her left. A bright yellow pet carrier is on the ground to her right. A large, semi-transparent yellow hexagon is overlaid on the image, containing the text 'Care2' and 'BY MIMSAFE'.

## DESIGN WITH CARE

It's all about offering a safe place for the one who really matter most to you. Then add a feel for every single detail, exact what makes every step in your daily life, every lift you make and every planned journey, so simple and so safe.

WE KNOW  
**YOU**  
CARE TOO

Care<sup>2</sup> is designed, developed  
and safety tested in Sweden.  
Here combines high quality  
with a stylish design.

Too cold or too hot? The decorative thermometer always gives you a close look. And it will be easier for you to make the right decision.

## Two doors, one on each side

A smart solution when you want to be able to reach your friend from different directions. Clearly marked attachments for the seat belt make it easy to install Care<sup>2</sup> in your vehicle.

## The world's safest car seat pet carrier

- \*Crash tested at at RISE Research Institute of Sweden
- ISO 9001:2015 certified manufacturing
- Aluminium frame, fully recyclable, non-toxic materials
- Splinter proof nylon with re-enforced armoured doors
- Integrated safety belt attachment points
- Integrated temperature gauge
- Easy to fit in car passenger and back seat with your seat belts
- Lifetime manufacturers guarantee

## Care<sup>2</sup>

Only the best materials are good enough, and that applies in every detail. For extra safety, the doors are reinforced.

Care2 is a safe choice. The crash tests meet the same harsh requirements that are demanded on baby car seats.
